Education

Year	Degree / Certificate	Institute / School	CGPA/Percentage
2019 - Present	B.E - CSE	Sri Ramakrishna Engineering College	7.77 (Current)
2019	HSC	SVV Hr Sec School	83%
2017	SSLC	SVV Hr Sec School	95.6%

Area Of Interest

- **Data Structures & Algorithms**
- **OOPs**
- **Web Development**

Projects

- ## Web Application -Ecommerce application with auction module   (ongoing)

  This Ecommerce application is a innovative project to reduce the brokerage for the products and to add auction system in ecommerce application and increase the profit for the formers and reduce the product values by removing the middle mans.

- ## Web Application for compliant registration and know details of the schemes

  This project is to raise compliants about the scam on the government projects to the higher officials without revealing their identity and to know the schemes that are currently active in their area.

- ## Smart Helmet

  The objective of the project is make wearing helmet mandatory by connecting helmet with the bike.Without helmet one cannot able to start their bikes which makes them wear their helmet whenever they ride the motorcycles.
